

***The photo task**

For this task, you need to take three photos, which for you sum up the area **socially**, **economically** and **environmentally**. Think carefully before you take your photos, as you need to explain your choices! Note down your reasons for taking each photo below:

SOCIAL PHOTO - Chosen because:
ECONOMIC PHOTO - Chosen because:
ENVIRONMENTAL PHOTO - Chosen because:

This task will be repeated at each of the sites you visit, so by the end of the day you will have a useful visual comparison of the different places.
