

Careers Education in the Geography Curriculum Pedagogy and Thinking

CAREERS EDUCATION IN THE GEOGRAPHY CURRICULUM				
<p>CURRICULUM MANAGEMENT</p> <p>Does the school and geography department recognise the value of embedding careers education in the curriculum?</p> 		<p>At whole school level has the school mapped where core and subject careers and progression input will be delivered to avoid gaps and repetition?</p> 		<p>Has your department devised curriculum guidelines, provided resources and agreed on how and when key careers and progression messages will be delivered in the geography curriculum?</p>
