

Images of Bulgaria

Bulgaria is visited by some 6 million people each year, but what makes it so attractive to them? Your first task is to match each image to its correct caption...

Borovets ski resort (42°15' N, 23° 36' E)

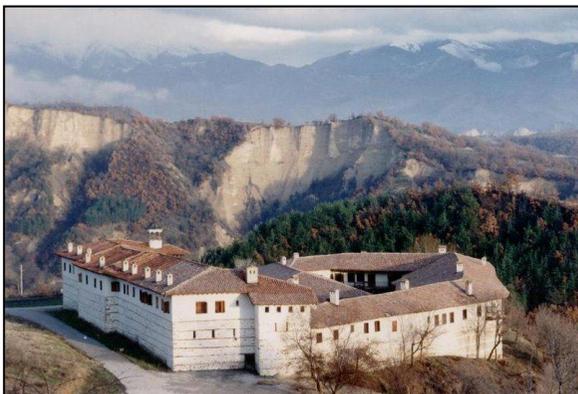

Albena resort on the edge of the Black Sea (43° 22' N, 28° 04' E)

Traditional ways of life e.g. old houses in Sozopol (42° 25' N, 27° 42' E)

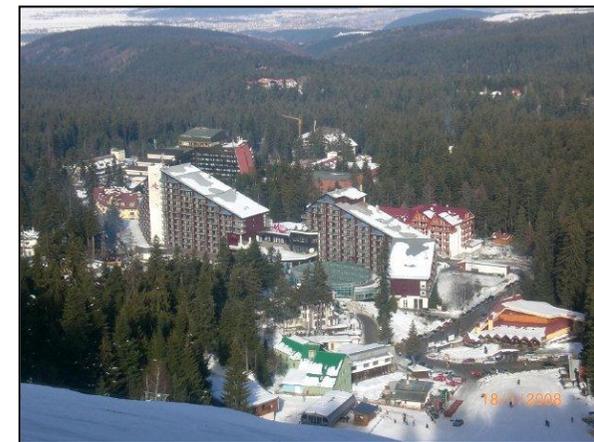

Beautiful scenery in the Rila Mountains - Musala Mt is the highest (42° 10' N, 28° 35' E)

Cultural attractions like Rozhen Monastery (41° 31' N, 23° 25' E)

Air links to Sofia airport (42° 41' N, 23° 24' E)

The numbers represent longitude and latitude references so that you can locate each place on the map below and add labels to show some of the main physical and human attractions of Bulgaria.
