

Fleeing from Darfur

2. Type 'Sudan' into the 'Fly to' box...

1. Log onto Google Earth.

3. ...and make sure the 'Global Awareness' box is ticked.

To measure distances, click on the ruler symbol at the top of the screen. You can then measure a straight line distance or a path and change the units of measurement using the ruler menu.

By the way, if you want to know what a 'Smoot' is, then look it up on [Wikipedia](https://en.wikipedia.org/wiki/Smoot) !!!
