Visit with 1 hour learning session	£5.15 - £8.35

Cost

Generation Wild

Generation Wild school visit

Follow-up at home and school

The screenshot shows an interactive story interface. At the top, there's a search bar with the text "Mr Stead's menu" and a dropdown arrow. Below it, a callout box contains the text "The Guardians of the Wild" and "View Ava's update", with a "Previous" button underneath. The background features a stylized illustration of a coastal scene with a bird, a whale, and trees. In the bottom right corner, there's a "Teacher controls" button. A progress bar at the bottom shows 10 numbered steps, with step 10 highlighted in orange. Below the progress bar, the text reads "I've arrived at..." followed by "10. The Guardians of the Wild" and "The Gambia". A dark blue button with a play icon says "LISTEN TO AVA'S UPDATE". Below that, a paragraph states: "I finally meet the Guardians of the Wild and my great journey comes to an end." A teal button says "Read Ava's update". To the right, a polaroid-style photo shows a person sitting on a sandy dune under a tree.
