

WHAT'S YOUR OPINION?

1. You are creating a brochure about the school. As you walk around, select 3 views which you think would be good on this brochure....and 3 views which maybe the head teacher would not like you to include!
2. If you were a new Year 7 / Year 10 student / Sixth former / Member of staff or Parent, what might you think about the school grounds and what might you want to change?
