

Instructions - Quiz Time.

Play the power point presentation.

At the end of the quiz ask class generally - who got all right, 1 wrong etc.

This activity can be done:-

- Orally as a whole class - hands up and click on the answer with the most pupils.
- Pupils to write down their answers.
- Put the answers on the walls in the room and pupils move to that area, again click on the answer that has the most pupils in it.
