

Starter resource

Look at the map extract which your teacher has given you. It shows the potential routes for the 5k road race. Use the map to fill in the following table with information about each route.

	Route		
	A	B	C
1. Mostly urban or rural?			
2. List any "A" roads on the route			
3. Does it look a) very flat, b) very hilly or c) bit of both?			
4. List any interesting features (human or physical) the route will pass			
5. List any potential problems or issues with the route
