

Weather & Tourism

Why do people go to the mountains on holiday?

- Using information from holiday brochures, books, photographs and your own knowledge, find out:
 - Why people go on holiday to your chosen destination
 - Whether there are different types of holiday in summer and winter
 - How the weather affects tourism

Name of the mountain

Holiday destination

Summer		Winter	
Type of holiday	Weather	Type of holiday	Weather

- Use your findings to prepare a presentation to the class about the effect of the weather on holidays at your destination.
